

REMARKS

Support for newly added claim 41 can be found in the specification at page 1, lines. 29-31, where it is disclosed, that the one-part BX concentrate can be used as a regenerator. The PTO is authorized to charge the applicants deposit account for the extra independent claim over 3 and extra claim over twenty added to the application.

At page 9 of towards the bottom of the page, the undersigned inadvertently misstated the claim numbers and stated,

As the term "held for an extended period" is a synonym for "storage", the feature of **pending claims 13, 28, 29 and 38** "in an amount sufficient to form a storage stable" is not only supported by the examples, but also by the specification as described above. (emphasis added)

The correct claim numbers should have been claims **14**, 28, **30** and 38 and not claims 13 and 29. The applicant apologizes for this typographical error.

No additional fee is due. Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 03-2775, under Order No. 07244-00144-US from which the undersigned is authorized to draw.

Respectfully submitted
